TO INVOKE REFERENDUM

NAVAL GUEST RECEIVED BY CITY

Roosevelt, Assistant Secretary of Navy, Tours Oil Works and Richmond and Is Much Impressed.

OIL STATION WILL BE REALITY, IT IS SAID

Many Prominent Local Men Are at Wharf When Torpedo Boat Lawrence Draws Up to Wharf Yesterday.

It was a brief but interesting visit which Assistant Secretary of the Navy Franklin D. Roosevelt paid Richmond yesterday. He arrived at the Standard Oil wharf at 10:30 a. m. and was met by a delegation of citizens, headed by Mayor O. R. Ludewig.

It was the torpedo boat destroyer Lawrence which brought him down from Mare Island. After making a wide detour of the bay it drew up to the wharf, where the automobiles were waiting.

Mayor Ludewig grasped the hand of the distinguished visitor as he left the boat and introductions were quickly over. Rear Admiral Pond was with Roosevelt.

Assistant superintendent of the refinery at the oil plant, J. F. Brooks, then had Roosevelt shown the many advantages which Richmond offered for a naval oiling station.

After looking over the Standard Oil plant the distinguished visitor was taken out to the site of the inner harbor. His trip ended with an automobile journey about the city and then to Berkeley, where he left for San Francisco.

"I think the advantages which your city has to offer as a naval oiling station are very good, and will report accordingly," stated Roosevelt when he finished his trip.

Those who greeted him were J. C. Owens, J. F. Brooks, R. L. Fernald, C. M. Brewer, G. R. Calvert, O. A. Poulsen, S. O. Innis, G. A. Follett, Isaac Lester, H. C. Johnston, E. J. Garrard, H. H. Turley, G. W. Cushing, A. C. Paris, I. R. Vaughn and Mr. McVittie.

PYTIANS TAKE IN NEW MEMBERS

Sixteen candidates were initiated and given the knight degree at last night's meeting of the Knights of Pythias, held in Pythian Castle. The lodge is growing by leaps and bounds, and there is hardly a meeting but what a large class is inducted.

At the meeting a number of visitors were present from Live Oak Lodge of Oakland, the Martinez lodge and several San Francisco lodges.

Ritchie Wins Battle With Tom Murphy

Willie Ritchie is still undisputed lightweight champion of the world. After a gruelling twenty-round mill, staged last night in San Francisco, Ritchie was awarded the decision over "Harlem" Tommy Murphy, the toughest battler that Ritchie has been called on to fight since he lifted the lightweight crown from the head of Ad Wolgast.

Every round was ferociously fought and stubbornly contested. Many of the twenty rounds were in Murphy's favor, and although the champion came through with a whirl-

EIGHT YEARS TODAY

Today is the eighth anniversary of the fire and earthquake which marked the destruction of San Francisco and the rebuilding of the city beautiful on the ruins.

Governor Hiram W. Johnson has set aside the day as "Fire Prevention Day" and it is a time when everything of inflammable nature should be removed from the buildings and yards.

The forests should also be protected, according to the governor, and everything possible done to stop the inroads of that greatest of all natural enemies—fire.

TURPIN TRACT IS TO BENEFIT BY HIGHWAY

The permanent shaping of Richmond, with the influence that the state highway and the municipal tunnel will have on the development of the city, is going to have an important effect in the development of certain advantageously located properties.

Pennsylvania avenue, Tenth street and Ashland avenue, will play important parts in the new development. Pennsylvania avenue, which extends through the Turpin Addition to Ashland avenue, will be the main route of the state highway through the tunnel to a connection with the fast ferries to San Francisco. Automobile traffic from as far north as Washington state will take this route to San Francisco during the exposition. There will be a steady stream of traffic over the state highway and Pennsylvania avenue.

Tenth street and Pennsylvania avenue are both to be widened through the Turpin Addition. Tenth will be widened all the way to the new harbor. It is over Tenth that the proposed electric line of the Southern Pacific is to run into the more densely populated part of the city, including the Turpin Addition, from Cutting boulevard.

F. L. Turpin, owner of the piece of property that bears his name, is one of the progressive crowd in Richmond that is bringing the city along toward metropolitan honors. As a member of the Richmond Industrial Commission he has always helped in development work. Mr. Turpin is the owner of the magnificent Hotel Turpin on Powell street in San Francisco and other properties. The faith of capitalists like him in Richmond and the fact that they have investments here is one of the most important helps in the city's growth. The fact that such a man as F. L. Turpin owns property here inspires others with confidence. Turpin, like all other observant business men, says there is no doubt but that Richmond will be a big city.

SCHOOL VOTE SHOULD BE HEAVY

Three of Five Candidates for the Office of Members of Board of Education Will Be Eradicated Today.

POLLING PLACES SAME LAST SCHOOL ELECTION

Autos Will Be Prohibited If Law Is Complied With by All Sides in the Fight of Today.

POLLING PLACES.

Precinct No. 1—City Hall, 210 Washington avenue.
Precinct No. 2—Lincoln grammar school.
Precinct No. 3—Public Library.
Precinct No. 4—High school.
Precinct No. 5—Citizens' Progressive Club, Pullman.
Precinct No. 6—Fairmont school, Stage.

Five candidates go to the polls today in the first skirmish for the office of member of the Board of Education, which O. A. Poulsen will soon vacate. They are James Nicholas Long, Virginia D. Geoghegan, Marjion A. Hayes, Luetta Wood Dunlap and Mrs. Donald E. Pryde.

The two candidates receiving the highest number of votes will make the final race for the seat, which means another election two weeks hence.

One factor, which will cut a material figure in today's election, is the ruling which the candidates have received relative to the use of automobiles. In Santa Rosa recently District Attorney Clarence F. Lee of that county notified all candidates that the use of automobiles to bring the voters to the polls must be discontinued.

He called attention to section 54, paragraph 3, of the Penal Code, which reads: "Any person who furnishes or engages to pay or deliver any money or property, for the purpose of procuring the attendance of voters at the polls, or for the purpose of compensating any person for procuring the attendance of voters at the polls, except for the conveyance of voters who are sick or infirm, is guilty of a felony and if found guilty can be sentenced to seven years in a state penitentiary."

If machines are used today local candidates intend to go to the bat and see if the law is binding. It was last evening that certain persons desirous of electing Hayes to the office had arranged for machines. This leaves the other four candidates in the lurch and is said by them to be taking undue advantage.

CHARTER SESSION WILL BE HELD NEXT WEEK

It was decided to hold a mass meeting next Friday evening in the Lincoln grammar school for further discussing the new proposed amendments to the city charter, at the session held last night in the real estate offices of B. E. Loomis, on the west side.

For several hours the proposed amendments were discussed, but no radical changes were made in them. There were about twenty citizens present and those promised to be present next Friday if the auditorium can be secured.

FOUR MUCKERS IN ITALIAN ADMITS TUNNEL SUFFER ASPHYXIATION BEATING GEO. NABRIA

Charles Ramici, R. Bertrini, F. Walker and H. Garducci, muckers, employed on the municipal tunnel, were overcome by sulphuric acid gas last evening, and were packed out of the big bore in an unconscious condition.

The men are said to have entered the tunnel soon after blasting. The dynamite is exploded with sulphuric acid and this is how the gas accumulated. After being taken to the Hotel Piemonte, Dr. Campbell was summoned.

The physician worked over the men for half an hour before he pronounced them out of danger.

Hall In Capital On Water Matter

Special to the News.

SACRAMENTO, April 17.—For the purpose of gathering data on the manner in which the Sacramento river is polluted by this city, as a part of the water investigation for the city of Richmond, Daniel J. Hall, city attorney of Richmond, visited Sacramento today and conferred with City Analyst George H. P. Lichthardt and City Engineer Givan.

After an investigation into possible sources for the Richmond water district, engineering firm of Haviland, Dozier & Tibbitts recommended that the Sacramento river water at Toland's landing, near Antioch, be piped to Richmond and filtered before use.

The proposed system will cost in the neighborhood of \$2,500,000, bringing 6,000,000 gallons daily to Richmond. A sanitary survey of the river will be made.

WILL VOTE ON CITY HALL

Seven Hundred Signatures to Call Special Election to Decide Question of the City Hall Removal.

NAMES TO BE HANDED TO CITY COUNCIL ON MONDAY

Judge Hannum Has Papers in His Possession and Public Is Anxious to Have Chance to Vote.

For the purpose of giving the voters of the city of Richmond a chance to say at the polls whether or not the Standard avenue schoolhouse should be moved on the Wall tract and converted into a city hall at a big expense, a referendum petition, with 700 signatures attached, will be presented to the City Council Monday night, asking that body to put the proposition on the ballot at the next general election. Under the referendum law, the council will be compelled to accede to this request, so long as 10 per cent of the voters of the city have their names on the petition.

The petition was drawn up by Judge C. S. Hannum at the request of a large number of businessmen, who are bitterly opposed to the decision of the council to change the city hall site to the Wall tract. Although the petitions have only been out since last Wednesday, more than the required number of signatures have been secured by the canvassers. There were five sections of the petition out. At first it was planned to put out six sections, but signers were so easy to get that it was not necessary to go out with the sixth section. According to Judge Hannum, only one person approached refused to sign the petition.

Under the law the petition must be in thirty days after the action is taken that the people want to vote on. As the council voted to change the city hall on the night of March 23, the referendum petition is in plenty of time to be legal.

TOO MUCH POLITICS

If ever there was an administration that should have been free from politics it should have been that of Woodrow Wilson. He was elected very largely by Republican votes, and so nearly unanimously that he could be independent of his party. It is true that he was a minority President so far as the popular vote is concerned, but that only serves to emphasize the fact that he could afford to be non-partisan in the highest sense of the word.

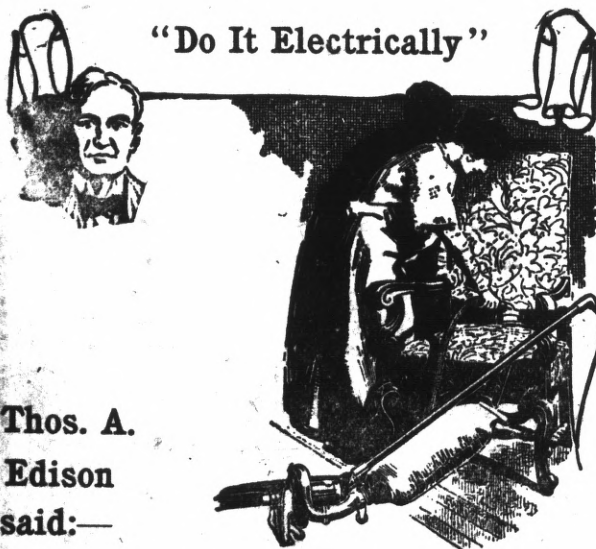

No one, of course, expected the President not to recognize his own party in making appointments, although both his predecessors with an overwhelming popular and electoral vote behind them made many appointments from Wilson's party, but of course the Democracy was hungry after its long absence from the pie counter, and no one objected to Democrats being chosen as postmasters, and for the other jobs that were to be handed around.

But considering the fact that Wilson owed his election to Republican votes he made a grave mistake at the very beginning of his administration by removing, as he did notably in this state, the Republican who gave him two of the electoral votes of California, and replacing by partisans whose only qualifications for the job was that they professed to be Democrats, and wanted the salaries. It would have been much wiser to have waited until the term of the Republicans expired and then have appointed Democrats to take their places.

But everywhere and all along the line the same petty partisanship has been shown, and Wilson as a civil service reformer has shown himself immeasurably below and inferior to Cleveland. The ridiculous, and yet at the same time disgraceful, handling of the Mexican trouble is due entirely to politics and to the effort of Bryan and Wilson to show that they were infinitely wiser than those who were on the ground and knew conditions. The Philippines are being exploited by the same incompetents for the benefit of officeholders and theorists and the gravest results are sure to follow from Wilson's reactionary policy there.

In this state everything has been sacrificed to help out the position of the administration and to secure the support of England, and both the Japanese question and the canal question have been pushed in order that the administration might save its face. It is a notable fact that while the South, through Alabama, has just returned Underwood after his refusal to be coerced into an un-American position by Wilson, so Senator Burton of Ohio announces that he knows that his position of favoring the imposition of tolls on American shipping is so unpopular in his state that he will not venture to be a candidate again.

Everywhere the same results are in evidence. The partisan ap-

Thos. A.
Edison
said:—

"No labor is much worse than sweeping. It has killed many women."

EVERY WOMAN FORCED TO SWEEP HEAVY rugs and carpets will appreciate the truth of Mr. Edison's statement. A woman who is not naturally strong and healthy cannot sweep without injury to her health. And in addition to the back-breaking labor, she must breathe the clouds of germ-laden dust thrown up by the broom.

Let a Vacuum Cleaner sweep and dust for you

There is no labor in using the Electric Vacuum Cleaner—its powerful suction quickly extracts every particle of dirt and dust, no matter how deeply imbedded. It not only cleans carpets and rugs, but also draperies, upholstered furniture, mattresses and bedding, hardwood floors, clothing, etc.

pointments to diplomatic positions made us the laughing stock of both Europe and South America, and Americans are now more discredited and ridiculed than ever. There is only one way to avoid the spread of the evil and that is by tying the hands of Wilson by electing to Congress men who will be loyal and true to the people and who will not, like Congressman Church of Modesto, sacrifice the interests of their constituents for a postmastership.

The methods followed by Wilson to force his canal bill through the House are admitted, even by the papers that supported his candidacy, as being of the most disgraceful character. Members were bribed right and left by postoffices, and the postmaster general sent word to congressmen that unless they stood in line for Wilson they need expect no patronage from this administration. It is humiliating to be forced to acknowledge that fact. It is a subject of anything but pride that Americans should be forced to wish for the day when an American in fact as well as in name shall be seated in the chair of Washington, Lincoln and Roosevelt.

THERE IS HOPE

The announcement that the railroad company has concluded to pave Macdonald Avenue is certainly encouraging. While that is a long way from what they should do it is a move in the right direction and gives us courage to hope that the day is not distant before the company will give Richmond decent service at reasonable rates. That of course is the object towards which the city must continually aim, and while it can be thankful for small favors it must not rest contented with them.

The protest against the delay in double tracking Pullman Avenue is along the right direction. If the company will do as it should the people of Pullman should not hesitate to go at once to the Railroad Commission and get it to act in the premises. When the petition to the Railroad Commission is presented the city should go a step farther and urge the reduction of rates. Why not appeal to the Commission to settle once for all the disadvantages that the Traction company is heaping upon Richmond? Why not ask the Commission to insist that a city of eighteen thousand shall not be treated worse than a country village?

It should not be forgotten for a moment that the company is not doing what it should in justice to Richmond, and that if this town will make a good strong, and vigorous protest it will have no difficulty in bringing the Commission to terms. The Oakland street car company is now owned by people who are only interested in the dividends that it pays, and the measure of success of its employees will be the money they save for exportation across the Atlantic. In other words the more the people of Richmond, and others who live along the line, are exploited the better pleased the stockholders in London or in Europe will be pleased. What care they for Richmond, or for the convenience of the people who live here? If the residents of Pullman have to wade through mud, who cares on Belgravia Square, or elsewhere in England? The only way to get any justice out of the railroad company is to force it out and the sooner the people begin to realize that the better.

Let Pullman lead in a demand upon the company through the Commission and let the rest of the community back it up with a demand for better services and lower rates, and the result will be a line that will help build up the town, and which will not gouge the people out of high fares and unreasonable prices for one of the worse services in California.

A WOMAN AS PROBATION OFFICER.

The suggestion that a woman should be on the county probation board, or that if it is too late to make the appointment, that a woman be appointed assistant probation officer, so that Richmond may have a woman authorized to act in such cases, is a wise suggestion and we trust will be carried out by those in authority to do so.

In the very nature of things a man cannot handle cases in which young girls are involved. They are almost always of one kind, and that kind requires the counsel, advice and assistance of a woman, not a man. Even if the man be of the most sympathetic nature and willing to do all he can, his sex exposes him to criticism and a wrong construction of his motives, and if he be wise he will be very careful how he handles such cases where girls are involved. Not unfrequently charges wholly unfounded, but none the less damning and ruinous, are made by girls against men who, as officers of the court or in a spirit of philanthropy, have tried to help them, and the safest plan is to have a woman placed on the work. We regret that one of the two appointees from Richmond is not a woman, but if that be now impossible, the scheme of an assistant officer who is a woman should be tried at once.

In striking contrast to the way the German soldiers treated the inhabitants of a small village in Alsace recently, attacking and slashing the inhabitants and insulting them in every way, Sausalito has a city constable who keeps busy arresting the whole army, officers and men who are located at Fort Baker, every time they show upon the streets of the Marin county town.

Evidently the knuckling to England's program of the administration is not popular even in the South. The election of Underwood in Alabama just on top of his refusal to follow Woodrow Wilson's lead shows that very conclusively.

All the freaks are not to be found in the West; South Carolina has a governor who has pardoned the 1190 convicts in the state penitentiary. The old rebel state is even more of a paradise for criminals than California.

The foundation work on the new club should attract a big crowd. The women of the club deserve the best their fellow citizens can give them and we trust to see a big turnout next Sunday.

Young Rockefeller cannot see any analogy between a combination of capitalists and of laboring men. He wants the first to combine as much as possible and the latter as little as possible.

April 26 Richmond is to have its first Industrial Bay Counties League game. There should be a record turnout to encourage the boys, and no doubt there will be.

A father of twins in Connecticut committed suicide. Some men are never satisfied.

PARK BOARD TO PLANT TREES IN FALL

City Engineer Chapman has furnished the Park Board, consisting of William Faber, W. S. McRacken and Mrs. J. B. Ogborn, with a complete map of the city showing the various streets paved and unpaved, and the board is now commencing the preliminary arrangements for the tree planting.

Mrs. Ogborn stated yesterday that there will be between 30,000 and 35,000 trees planted. One will be planted for every fifty feet. The board intends to take street by street and call for the planting of the trees in the same manner as street work is done.

The board is anxious to have residents of certain sections get together and decide what variety of tree is wanted in the particular portion of the town. The wishes of the public will be followed out in every case.

The trees are to be planted this fall and the board believes that the task can be completed in a short time. The prices and varieties of trees will soon be published.

LOUIS M'AFEE TO HAVE CORPS OF LAWYERS

Louis McAfee, the young man well known here, who has been in trouble numerous times, and who wound up his very flaring career by taking an automobile from in front of the Orpheum Theater, Oakland, and riding to Richmond, will be given a preliminary hearing in the nearby city this morning.

His father, a prominent Eastern attorney, has come to Oakland to personally conduct his case. Attorneys Horner and De Lap of this city will also appear for the defense.

BASEBALL YARNS SCRIBBLED BY "FANATIC"

Manager McNamara of the Mar times Club has made a change in the lineup of the up-county aggregation. Connick, who recently returned to Martinez after a tryout in the State League, goes in the short field, while Moran is shifted to the right garden. Martinez plays the fast club of Redwood City next Sunday. McNamara's Colts have a hard game coming up, as the Redwood City bunch recently trimmed Richmond's crew of ball toters.

Dan Gillen's Vallejo Club mixes with Brown Brothers' team of San Francisco on the Vallejo lot Sunday. The game will be the last independent battle to be staged in Vallejo this season, as the Bay Counties Industrial League season starts a week from Sunday. Gillen expects his club to go in the league, as he has a couple of good slabsters in Tony Bianco and Bandon.

Moss, the Winehaven receiver, is catching steady ball for the Calwa boys. He knows how to work big fellow Pinkerton, who is at present one of the sensations in adjacent bush regions.

This afternoon on the First street grounds Lee's Independents will clash with the Baracas class. Manager Lee has asserted that the boys on his club roster expect to score another win off the clubites. On the other hand, the Baracas already consider the game as good as won.

Mayor Ludewig has signified his willingness to hurl the gilded sphere across the plate in the opening game in the new league a week from Sunday. With this pleasing information safely in their homes, local fans are now wondering who will catch the ball that Ludewig throws. Of course the mayor's control is a matter of conjecture. Maybe he will throw a fast ball and maybe he will throw a slow ball. Possibly he will get it over the plate, but probably he won't. Ed Axelsson is among those mentioned whom the fans would like to see receive Ludewig.

BIG BATTLE ON BOARDS FOR TOMORROW

Just one more day until the big battle between the Richmond Club and the Kelo University nine of Japan comes off on the Grove street grounds in Oakland. The battle is due to commence at 2:30, so local fans who plan to attend will have to get an early start from this city.

It is hard to get a line on the respective merits of the two clubs, and frame any kind of a dope sheet on the probable outcome of the game. The little brown men are all strangers locally. But just figure that they have a win from the Chicago White Sox to their credit, and that they won regularly in the Northwest before invading this state.

The university lineup follows: Manager, T. Kinoshima; captain, K. Sugase, pitcher; S. Shimana, catcher; first base, Y. Samma; second base, S. Abe; shortstop, D. Miyake; third base, H. Koshito; left field, S. Mori; center field, S. Takama; right field, K. Togashio.

One new face will be seen on the local lineup tomorrow. The management has signed "Cookie" Davenport, who has been playing with San Leandro so far this season. He will play second on the local club hereafter if he shows up in good form. Davenport is well known here, having played with the Richmond Club when this city was in the State League. The lineup follows:

Burns and Gordon, pitchers; Ingram, first base, Davenport, second base; C. Pingree, third base; Hyatt, shortstop; Cunningham, left field; Woodbury, center field; F. Pingree, right field.

For sale, a Maxwell Runabout, in good condition; \$150. Kerahner-Cann's garage, 332 Seventh st.

COVERALL'S TO PLAY CALWA'S WINE HERE

Those fans who decide to stay at home tomorrow will be able to see a good, fast battle. The Winehaven Club, which has been going so good during the past six weeks, will clash with the Sunset Coveralls nine on the First street grounds.

The Calwa ball tossers recently defeated the Coveralls bunch in a fast game played at Golden Gate Park in San Francisco. But the game was so close and the interest aroused so intense that a return game was arranged.

Those who attend the game will have an opportunity to watch Pinkerton, the big phenom, now with the Winehavens, hurl 'em over. Those fans who have watched Pinkie work this season think the big lad has a good diamond future.

NEWS TO BOOST GOOD CLEAN SPORT

Sports of every sort, and particularly local sporting news, will be printed daily in the News. The News is a believer in good, clean sport, and has established a sporting page. Any time any one knows a sporting item, simply phone or write it to the News.

Particular attention will be paid to the newly organized Bay Counties Industrial League. The league is a good thing; a necessity for the ball fans of Contra Costa, Solano and Napa counties, and it will be boosted by the News.

Communications from fans are solicited.

One hundred devotees of billiards witnessed the exhibition of Lloyd Jevne of Salt Lake, who held the world's billiard championship between 1900 and 1907, at the Fernleaf pool parlors on Macdonald avenue last night. Although Jevne showed brilliant flashes of form, his exhibition was a disappointment, those in attendance expecting much more of him than he showed with the cue. C. McVey, a local man, who held a cue against Jevne, showed to good advantage, and by his skillful shots greatly surprised the big crowd present.

BOXING FEATURE OF BARACAS PROGRAM

Several fast short bouts between members of the Junior Baracas class are on the boards for next Tuesday night, when the class will give its big "feed" and rally. A number of the boys who have been matched have gone into active training, and some good, speedy battles are being looked forward to by the members of the club. C. Doyen, C. Caine and T. Deckerleg compose the committee that is arranging for the evening's festivities.

ROYAL NEIGHBORS MEET.

Last Thursday afternoon the Royal Neighbors gathered at the home of Mrs. W. A. Vickery, at 2017 Nevins avenue. A social afternoon was spent, during which refreshments were served. Many of the guests present were from Oakland. Among those present were Mrs. R. Rouiller, Mrs. N. Barnhart, Mrs. M. E. Gary, Mrs. L. J. Ore, Mrs. M. Fingerson, Mrs. A. Lorentzen, Mrs. M. Gray, Mrs. L. Ginner, Mrs. M. McNary, Mrs. L. Hann, Mrs. Lizzie Hilbert, Mrs. J. M. Best, Mrs. Walter Nellis, Mrs. Joseph Leber, Mrs. W. H. Doolittle, Mrs. T. F. Nee, Mrs. J. E. TO RUN SPECIAL EVERY SUNDAY MORNING

Sunday morning's special car to the Oakland ball park has come to stay, according to a statement made by Superintendent Charles F. Donnelly of the northern division of the San Francisco-Oakland Terminal Railways. Local fans patronized the special of last Sunday, which was the first of the season, so well that the traction company has determined to continue to give local fans a good Sunday service into the Coast League games.

The special will have the right of track over all trains going either direction and will leave the foot of Washington avenue at 9:09, arriving at the ball park at 9:49. Stops will be made at First, Sixth, Tenth, Sixteenth, Twentieth and Twenty-third streets.

THE wearing of a diamond is the badge of success. It denotes self respect, independence and solid worth.

Diamonds are the only jewelry that increase in value with time; in fact there is no investment so sure or profitable. They double in value about every five years and advance more rapidly in hard times than at any other time.

The value of a diamond depends upon its quality. Some are worth \$90.00 a carat, others \$250.00. Diamonds have a fixed standard value; they are as staple as gold. It is a simple matter for you to see that you have nothing to gain by buying away from home and the advantages of buying from some one you know to be reliable are at once apparent.

FACT NO. 11

Don't be a transient customer. The city merchant considers an out-of-town buyer as a chance customer, who in all probability will not come back a second time.

When the goods arrive if they are not just what was wanted or what you ordered the mistake is corrected after correspondence and delay. More likely you say: "It isn't just what I wanted, but I'll keep it because it's too much trouble to change now."

Buy from your home merchant in Richmond and your purchase will be uniformly satisfactory, because you can take more time for your shopping, the home merchant is more anxious to please, and when your purchase is delivered, if it isn't just what was wanted, or if you change your mind and want something else, the exchange is easily and quickly made.

PIONEER CLUB'S DANCE BIG AFFAIR

Undoubtedly one of the most successful dances to ever be given at East Shore Park since that popular amusement place has been open, took place last night when the Pioneer Club of Richmond gave its eleventh annual ball. The dance drew not only from Richmond, but from every point on the east side of the bay. The oldest social club in Richmond more than lived up to its reputation for hospitality.

The park pavilion was tastefully and elaborately decorated with flowers, greens and lanterns. The music rendered by the Park orchestra was all that could be desired. The committee that worked hard and is responsible for the success of the affair was composed of V. A. Fenner, L. D. Dimms, J. F. Brooks and E. M. Tilden.

RALLY WILL BE HELD ON MAY EIGHTH

An inter-county Christian Endeavor rally in which young people from Alameda and Contra Costa counties will participate is to be held in Richmond on the evening of Friday, May 8. It is being advertised among the Alameda county Endeavorers as a "Moonlight Trolley Trip to Richmond," and will be attended by large numbers of young people from Oakland and other Alameda county places.

In Richmond a basket lunch will be served at the Presbyterian church and following that an evening service. Rev. G. A. White, pastor of the First Presbyterian church of this city will lead the praise service. This will be followed by an address of welcome by J. E. Norton, president of the Contra Costa County Union, and a response by Fred Hoffman, president of Alameda County Union. The principal address will be by Rev. H. H. Sanborn of the Brooklyn Presbyterian church of Oakland upon the topic, "How Christian Endeavorers Can Help the Pastor."

MRS. STIVER TO GIVE BIG PARTY

Fifty invitations have been sent out by Mrs. H. A. Stiver of 135 Thirteenth street for a party to be held at her home on the afternoon of May 1. From plans that are being made for the affair, it gives promise of being one of the most elaborate social functions to ever be given in the city. Many prominent society women of Oakland, Alameda and Berkeley have been sent invitations, which have been accepted.

Mrs. Stiver will be assisted in entertaining by Mrs. W. S. McCracken.

CORNER STONE TO BE INSTALLED TOMORROW

Members of the Richmond Club were out in a body yesterday soliciting funds for the new clubhouse, the foundation of which will be laid tomorrow. The ladies intend to make the laying of the cornerstone a momentous event, and have invited all of their friends to see the work commence.

All of the ladies are preparing cakes, pies and sandwiches for the hungry cement workers, who have given them the foundation free of charge. The ladies will save in the

neighborhood of \$500 by the mechanics giving up their time.

There is \$1400 repaying in a local bank to the credit of the ladies and it is expected that this sum will be tripled by Monday. Each lady has been given certain persons to see in regard to subscriptions and in this manner much can be accomplished.

On Monday afternoon Mrs. Smith, chairman of the educational section, will have charge of the day. She has arranged an excellent program and a large crowd is sure to attend.

THIEF CAPTURED BY DETECTIVE WALKER

Arrested in San Francisco on a charge of burglary on evidence gathered by Detective Charles H. Walker, John Miller yesterday confessed to having robbed the home of Mrs. C. Bonduct, a wealthy resident of the Pullman district, and gave up \$1000 in jewelry which he took from the residence on last Saturday evening. Miller also admitted to a number of burglaries in Oakland and will be tried in that city. A warrant for his arrest on the local crime has been placed in the hands of the Oakland police in case that the cases there are not pressed.

Miller took five diamond rings, a gold nugget chain three feet in length, a gold-mounted fountain pen, a roman gold chain of considerable value and a lady's diamond studded watch. All of the loot was recovered.

PATRICK MORAN FUNERAL ON MONDAY

The funeral of the late Patrick B. Moran of Stege, who died of heart failure Thursday, will be held from the Smallwood undertaking parlors on Monday afternoon at 2 o'clock. The remains will be interred in the Sunset View cemetery. The funeral will probably be one of the largest to be held in the city for some time, as the decedent had hundreds of warm friends during his lifetime.

LAST RITES OVER PAUL ADAMS TODAY

The funeral of the late Paul Adams will be held from the Clark undertaking parlors on Fourth street this afternoon. Many of the members of Twilight and Eclipse lodges of Odd Fellows, Rebekahs and Pythian Sisters will be in attendance at the last rites. The remains will be cremated at the California Electric crematory in Oakland.

NEVADA MAN IS PURCHASER OF FOUR LOTS

M. J. Kelly, the well known real estate man, closed a deal on Tuesday which made T. D. Teddmore of Sparks, Nev., owner of the four lots and five-room modern cottage on the corner of Eleventh street and Chanslor avenue.

The price paid was in the neighborhood of \$10,000. Kelly stated yesterday that his client will build houses on the other three lots and rent them.

LISTER NOT TO BE COUNSEL FOR MOONEY

That Henry B. Lister, chief counsel for the defense of Thomas Mooney at th first trial, which ended in the disagreement of the jury last week, will not appear as attorney for the defense when the trial is again taken up next Wednesday, was made known in Martinez yesterday.

Maxwell McNutt will direct the defense, assisted by T. D. Johnston. It was known during the course of the trial that all was not serene in the camp of the defense attorneys and when informed that McNutt would be chief counsel, by Mooney, Lister withdrew.

BRONCHO BILLIE FEATURE OF RICHMOND

G. M. Anderson will be seen at the Richmond Theater today in the best production of the Broncho Billy series ever shown, entitled "Broncho Billy's Bible." In holding up a stage coach with a companion, he finds a Bible. What the good book does for Billy is very interesting and surprising, both physically and mentally. It is a fine feature that will satisfy all.

Another feature by the Essanay Company is "The Other Girl," a drama of aching hearts, love and bliss. Produced in two reels, featuring Francis Bushman and Ruth Stonehouse. The ambitious mother intercepts the note from the girl her son loves. An estrangement results, and she tries to make a match between her son and another girl. The photography is smooth and pleasing and there is a good story of an interrupted love affair with a happy ending.

Lillian Walter and Wallie Van are shown in the Vitaphone Comedy, "The Speeder's Revenge," a comedy with amusing incidents all the way through, with the speeders getting mixed up in a murder mystery. In "Father's Temper," a Lubin comedy, we see that father has a very mean disposition; so mean it hurts him and everyone else. He is cured of his temper by his prospective son-in-law, however, but not before the audience convulses with laughter.

STATE FISH LAW UPHELD IN DECISION

The state law requiring an annual license of \$10 of commercial fishermen was upheld Tuesday by the Appellate Court in a decision handed down by Justice N. P. Chipman denying a writ of habeas corpus to A. Prarra, who was arrested in Solano county last March for fishing in the Carquinez Straits without first obtaining a license.

Prarra asserted that he had a right to fish for profit without purchasing a license, and that a section of the state Constitution adopted in 1910 forbade the state demanding any fees for fishing privileges.

The court held that the imposition of \$10 annual fishing tax was reasonable, declaring food fishes have an annual value running into millions of dollars and that they furnish means of livelihood to thousands of citizens. It is therefore but right that the state should receive some remuneration.

LOCAL VETERANS AT OAKLAND PARTY

Many of the members of Stotsenberg Camp of Spanish War Veterans of Richmond journeyed to Oakland last night in their special car, where they attended the theater party of the "Vets" at the Pantages Theater. Members of the Ladies' Auxiliary to the post were also in attendance. The fine program was enjoyed by all.

The funds received from the theater party are to be used for the 1915 National Encampment to be held at the World's Fair grounds. A good sum was realized.

"All the news, all the time" is our slogan.

GALVIN USHERS IN SPRING

Spring is here. Yes it is. And it didn't take the chirping of the birds or the gladsome rays of Old Sol to acquaint us with the fact. Emphatically "No."

John Francis Galvin, through the medium of a new straw "lid," just picked from the stock of Kurt's store, informed us that Jupiter Pluvius has taken a lay off. Galvin's new top adornment created quite a furore along the Rue de Macdonald.

DICKENSON HOME SCENE OF GAY GATHERING

Fifty members of the younger social set were present last night when Miss Lucy Dickenson entertained the Philathea class at her home at 115 First street. Different kinds of games helped make the evening pass quickly. The hostess served delightful refreshments before the party broke up. Those present were Edna Isaman, Mildred Truitt, Rosie Little, Edith Selvy, Emma Dahl, Eva Frazier, Ruth Long, Edith Delp, Mary Bently, Myrtle Conn, Jennie Moore, Stella Shoemaker, Eva Hales, Fae Frymire, Fern Beggs, Eva Baumen, Dorothy Davidson, Geraldine Ford, Regena Ardery, Helen Standiford, Nina Moody, Lillie Moscegs, Esther Pierson, Bertha Ralph, Lucy Dickerson, Christina Dickerson, Neva Dickenson, Cecil Doyen, Gilbert Doyen, John Pulse, Newton McCormick, Holway Jones, Wayne Westover, Wilbur Oakley, Thomas Beckerleg, Russell Sharmar, Clarence Caine, Lee Hogan, Jack Lee, Edward Hawkins, Max Macdonald, Orpha Dickerson, Richard Maxwell, Blake Smith, Ora Ralph, Melvin Mayfield and Harold Garrard.

GRAND OFFICERS ATTEND Y. M. I. MEETING

It was a great old night which the Young Men's Institute held last evening in Our Lady of Mercy Hall on Richmond avenue. Many grand officers were present, a banquet was served and a jolly good time was enjoyed by all.

Grand President Peter Bagcalupi, Grand Secretary George Stanley, Grand Rector Edward Curtiss, Past Grand Second Vice President E. J. Lucey and District Deputy M. A. McInnis were all on hand.

There were numerous talks between bites and the evening was an enjoyable one. Past Grand Second Vice President Lucey extended an invitation to all present to the big initiation to be held in Crockett on April 26.

WATER BONDS TO BE OPPOSED BY COMMISSION

That the Richmond Industrial Commission will oppose the water bonds was stated yesterday by those who attended the special meeting of that important body in San Francisco. This is but one of the two propositions considered.

The other is the raising of the \$3000 with which to entertain the members of the Rivers and Harbors Committee, who will visit this city this fall. It is expected that the commission will ask the City Council to contribute one-half of the sum and the remainder will be sought from the county.

TO THE PEOPLE OF CONTRA COSTA COUNTY.

I hereby announce myself a candidate for Superior Judge of Contra Costa County.

Primary Election August 25, 1914.
